Technical drawing of a drainage system layout, showing two interconnected pipe runs with various dimensions, labels, and elevation data.

Left Section:

- Starts with a connection labeled **DN50X40**.
- First segment: Length **1600**, slope **<6>**, label **3505** in a red box.
- Second segment: Length **2000**, slope **<5>**, label **2400** in a red box.
- Ends at a connection labeled **DN40X40 Y 85700**.

Right Section:

- Starts with a connection labeled **ПОДКЛЮЧЕНИЕ Узел конденсатоотвода U104/2/N14 40 mm PE X 65549 Y 83585 Z+ 55400**.
- First segment: Length **286** (red box), slope **<1>**, label **3** in a box.
- Second segment: Length **651** (red box), slope **<2>**, label **1** in a box.
- Third segment: Length **238**, slope **<3>**, label **3** in a box.
- Fourth segment: Length **2463**, slope **<4>**, label **1** in a box.
- Ends at a connection labeled **Z+ 54550**.

Intermediate Section:

- Connects the two main runs.
- Length **2950** (red box), slope **<7>**, label **1** in a box.
- Labels **34** and **35** in red boxes are also present near this section.

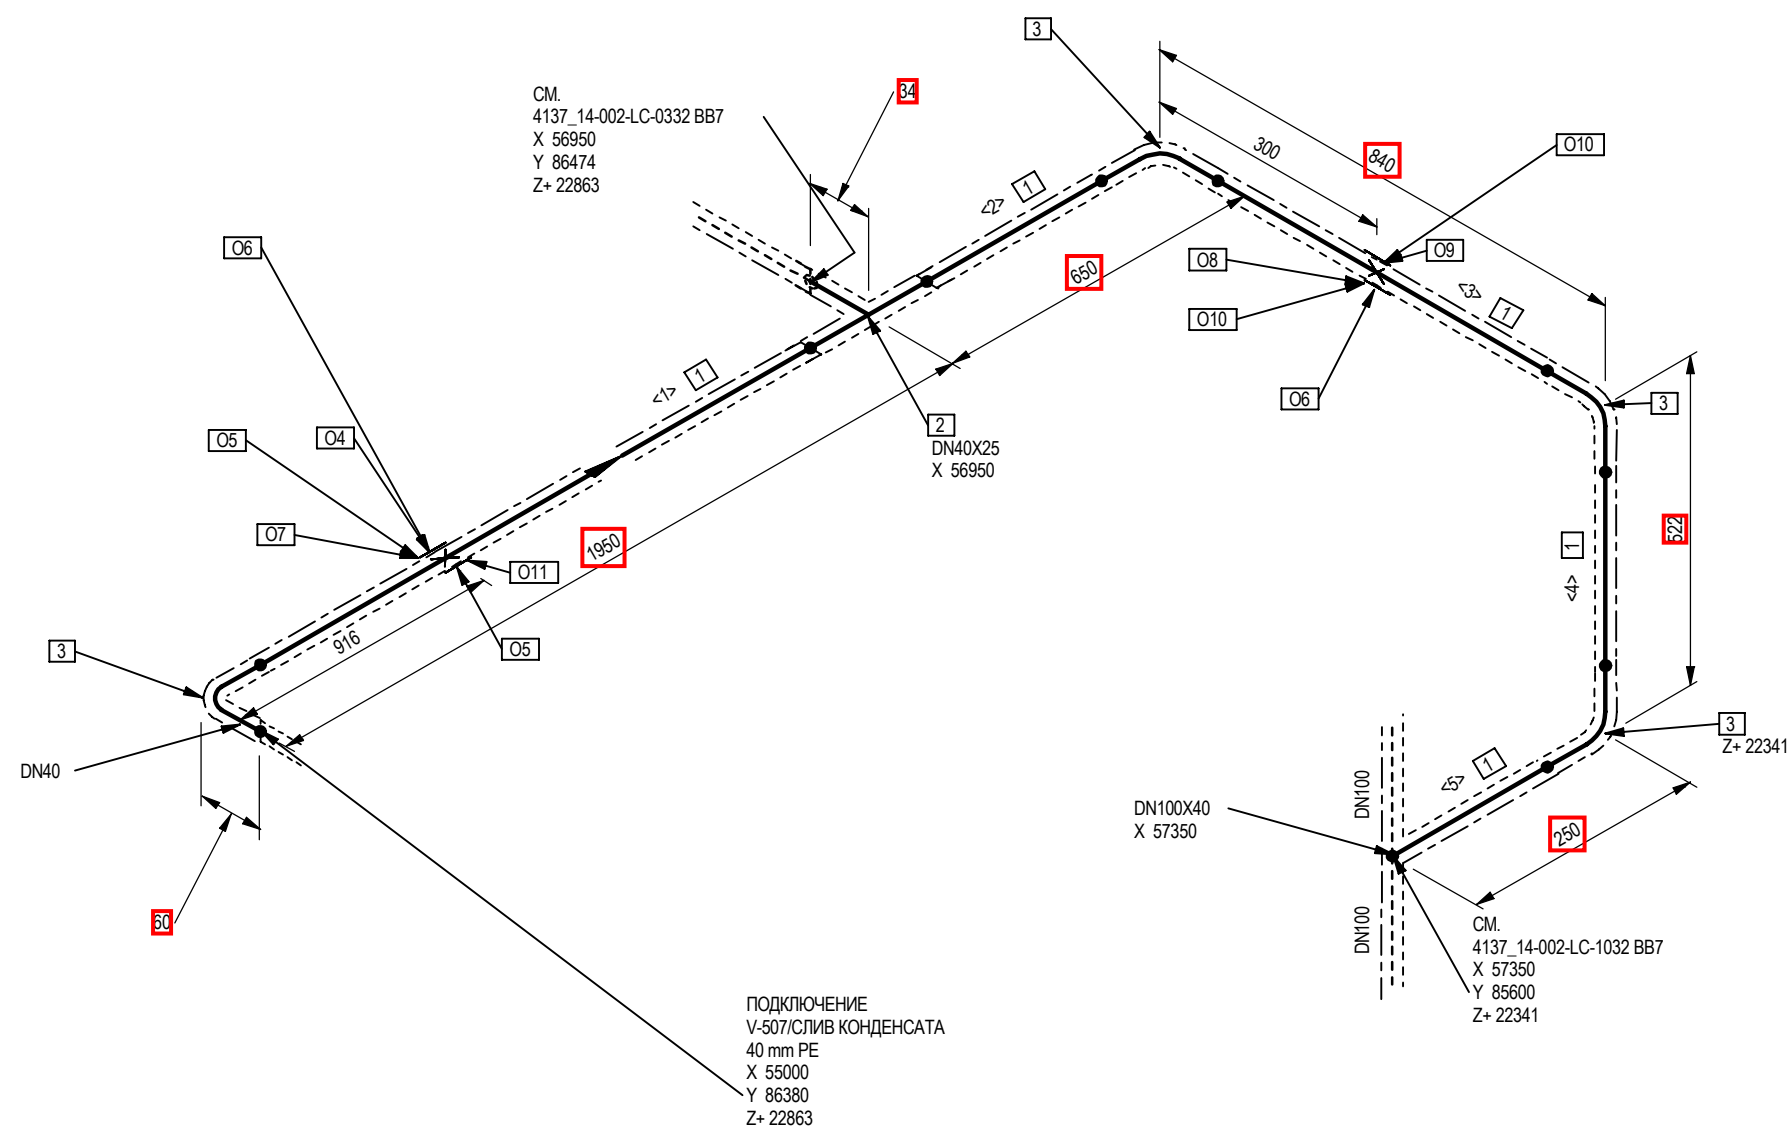

Labels and Dimensions:

- Labels in boxes:** 07, 05, 04, 06, 01, 02, 03.
- Dimensions:** 1600, 2000, 286, 651, 238, 2463, 2950, 3505, 2400.
- Slopes:** <6>, <5>, <1>, <2>, <3>, <4>, <7>.
- Connections:** DN50X40, DN40X40 Y 85700, ПОДКЛЮЧЕНИЕ Узел конденсатоотвода U104/2/N14 40 mm PE X 65549 Y 83585 Z+ 55400, Z+ 54550.
